And yes, bet to communicate with Andrew and cc Loren and me.

Thanks John,

I'm on it. Got three (3) emails from you including the one below. Once I digest I'll get back with questions to either you or Andrew.

Should I report directly to Andrew with my preliminary findings/questions and copy Loren and yourself? I can remove you and Loren off the emails until I have a more formal assessment per our discussion this afternoon. I'll target a preliminary assessment to **start** and "perfect the narrative" by late next week.

What is the SSID and OU for this? I'll ask Anabel to load in my PPL.

Best,

Keith
